

The race is on for The Star Stradbroke Season 2024

Tickets for Queensland's premier thoroughbred racing event, **The Star Stradbroke Season 2024**, are now on sale.

Feel Closer to Champions, Food, Fashion and Friends as Brisbane Racing Club (BRC) presents six spectacular Saturday racedays from **4 May to 15 June** at its two racecourses, heritage-listed Eagle Farm and Doomben.

As in previous years, tens of thousands of racegoers from around Queensland, interstate and overseas will be drawn to Brisbane for The Star Stradbroke Season, during which they will witness the feats of top trainers, jockeys and thoroughbreds from around Australia and New Zealand and experience the finest in trackside hospitality, glamour and entertainment that are integral to this memory-making racing event.

In 2023, Brisbane welcomed Everest winner Giga Kick who assured his champion sprinter status in winning the Ladbrokes Doomben 10,000, while on The Star Stradbroke Day, racegoers witnessed first-hand the rise of subsequent Spring stars Think About It and Without A Fight.

This year more than \$20 million in racing prizemoney will be on the line, with the six race meetings featuring seven prestigious Group 1 contests and eight races with a prize purse worth \$1 million or more.
